Dear Mr. Pervaiz:

This is in response to your request of February 26, 2007, to remove devices manufactured by Darleys Surgical Company, 2-1 Kutchery Road, Sialkot, Pakistan from Attachment A of Import Alert #76-01, "Detention Without Physical Examination Of Surgical Instruments From Pakistan."

The information you provided, as well as FDA's national entry data, were reviewed. The data indicates that Darleys Surgical Company Pakistan has met the criteria for removal from attachment A of Import Alert # 76-01. Your firm has been placed on the Attachment B. The alert has been updated.

Routine surveillance of Darleys Surgical Company, Pakistan entries will continue. Should additional violations occur, detention with out physical examination may be reinstated with no prior notice.

If you have any questions concerning this request, please contact Nawab A. Siddiqui at (301) 594-3871.

Sincerely,

Domenic Veneziano, CDR USPHS  
Director, Division of Import Operations & Policy
